National Education Act, 1980

Act 30 of 1980

Published in Official Gazette no. 4558 on 31 December 1980

Assented to on 17 December 1980

Commenced on 1 April 1981 by Proclamation AG6 of 1981

[Up to date as at 25 April 2021]

[Amended by Education Act, 2001 (Act 16 of 2001) on 28 October 2002]

[Amended by Teachers’ Education Colleges Act, 2003 (Act 25 of 2003) on 1 April 2005]

[AG 39 of 1984 repealed sections 13-24 and 25(6) of this Act. Act 16 of 2001 repealed the remainder of this Act insofar as it applies to schools and education other than tertiary education. Act 25 of 2003 repealed the remainder of this Act insofar as it applies to teachers’ education colleges. Thus, sections 1-12 and 25-39 of the Act remain in force only insofar as they apply to tertiary education other than teachers’ education colleges. Some tertiary institutions now have their own legislation, such as the University of Namibia Act 18 of 1992 and the Polytechnic of Namibia Act of 1994 (subsequently replaced by the Namibia University of Science and Technology Act 7 of 2015). Vocational education is covered by the National Vocational Training Act 18 of 1994, which has been substantially replaced by the Vocational Education and Training Act 1 of 2008. Thus, it is not clear if this Act continues to have any practical relevance.]
