 - (a) at the office of the Council; and

- (b) any other place which the Council may determine and make known by notice in the Gazette.
- (2) A copy of the Register, or any part thereof, must be made available for inspection by members of the public during normal office hours.
- (3) The parts of the Register referred to in [section 25\(3\)](#), as well as any information not disclosed in relation to the items contained therein, are not open for inspection by any person, except with the express consent of the Council, and subject to the conditions determined by the Council.
- (4) Inspection of the Register, or any part thereof is subject to payment of an inspection fee as may be determined by the Council, with the approval of the Minister.

Division 2 - Procedure for Declaration and Registration

28. Council to make recommendation to Minister for declaration

- (1) The Council may submit to the Minister a recommendation that -
 - (a) a place be declared a heritage place; or
 - (b) an object be declared a heritage object.
- (2) A recommendation under subsection (1) may be made by the Council, either -
 - (a) of its own motion; or
 - (b) upon a nomination made by any person or body.
- (3) A recommendation to the Minister under subsection (1) must -
 - (a) be in writing;
 - (b) include a statement of the heritage significance of the place or object; and
 - (c) specify the category and classification in the Register in respect of which the place or object is recommended to be declared a heritage place or heritage object.

29. Nomination for declaration

- (1) A nomination by a person or body that a place or object be declared a heritage place or a heritage object must -
 - (a) be made in writing to the Council in a manner approved by the Council; and
 - (b) specify the reasons as to why the place or object warrants to be so declared.
- (2) The Council must not accept a nomination of a place or object under subsection (1) if, in the preceding 12 months -
 - (a) the Council had refused to recommend to the Minister that the place or object be declared a heritage place or heritage object;
 - (b) the Minister had refused to declare the place or object as a heritage place or heritage object; or
 - (c) a previous declaration of that place or object as a heritage place or a heritage object has been revoked under this Act,

but the Council may accept the nomination if the Council receives significant information relating to that place or object which was not available to the Council and the Minister in reaching the decision referred to in paragraph (a), (b) or (c).

- (3) If a nomination under subsection (1) is made in relation to a place which is an archaeological site the Council may accept a nomination of any archaeological objects associated with that place or any artefact or unique specimen which includes an archaeological object associated with that place for declaration as

an archaeological object.

- (4) A nomination can be made -
 - (a) in respect of an archaeological object whether or not the object is located on or under the place or whether or not the exact location of the object is known;
 - (b) in respect of all objects associated with the place, whether or not the number or nature or the exact location of the objects is known; and
 - (c) without the extraction of the object from the place.
- (5) The Council may ask a person or body nominating a place for further information to assist the consideration of the nomination.
- (6) If the Council determines not to accept a nomination made in relation to a place or object it must in writing notify the nominator of its decision and furnish the reason for the decision.

30. Notice of proposed recommendation

- (1) If the Council determines to recommend to the Minister that a place or object be declared a heritage place or a heritage object, the Council must give notice in accordance with subsection (2) to -
 - (a) the owner of the place or object;
 - (b) the nominator, if any, of the place or object; and
 - (c) the relevant local authority in whose area of jurisdiction the place is situated,
- (2) A notice under subsection (1) must -
 - (a) be in writing;
 - (b) set out the terms of the recommendation;
 - (c) include sufficient information to identify the place, or object, whether by reference to maps, diagrams or otherwise;
 - (d) include a brief statement of the heritage significance of the place or object;
 - (e) advise the owner that the Council will submit its recommendation to the Minister after a period of 60 days from the date the notice of the proposed recommendation is published under subsection (4);
 - (f) advise the owner that the owner may, within that period of 60 days -
 - (i) make a submission on the proposed recommendation to the Council; and
 - (ii) request a hearing in relation to that submission; and
 - (g) set out a summary of the rights and obligations under this Act of the owners of protected places or protected objects of that kind.
- (3) Despite subsection (2)(c), the Council may determine that, in relation to an archaeological site, some details of identification should not be included in the notice if the Council believes that there is a real danger that the site may be damaged or an archaeological object may be removed or damaged by a person if those details were known.
- (4) The Council must cause a notice of a proposed recommendation that a place or an object be declared as a heritage place or a heritage object to be published in a newspaper circulating generally in the area in which the place or object is located at least 60 days before the date on which the Council proposes to submit its recommendation to the Minister.

31. Obligations of owner

- (1) The owner of a place or object to whom notice has been given under [section 30\(2\)](#) must within 10 days after receipt of that notice advise the Council of -
 - (a) any works or activities that are being carried out in relation to the place or object at the time the notice is given; and
 - (b) any works or activities that are proposed to be carried out in relation to the place or object.
- (2) After a notice has been given under [section 30\(2\)](#), and before the Minister takes a decision on the place or object, the owner must not, without the prior written approval of the Council, carry out or permit to be carried out any works or activities in relation to that place or object that could adversely affect the place or object.
- (3) If, before the Minister's decision on a place or object to which a notice under [section 30\(2\)](#) relates, the owner proposes to dispose of the whole or any part of that place or object, the owner must -
 - (a) advise the Council of the proposed disposal at least 10 days before entering into a contract for that disposal; and
 - (b) before entering into a contract for that disposal, give a copy of the notice under [section 30\(2\)](#) to the person who, under the proposed contract, is to acquire the place or object or part of the place or object.
- (4) An owner of a place who fails to comply with any provision of this section commits an offence and is liable to a fine not exceeding N\$ 10 000 or to imprisonment for a period not exceeding 1 year, or to both such fine and such imprisonment.

32. Submissions

- (1) Any person may make a written submission to the Council in relation to a proposed recommendation of the Council that a place or object be declared a heritage place or heritage object.
- (2) A submission under subsection (1) must be made within 60 days after the date that the notice of the proposed recommendation is published under [section 30\(4\)](#).
- (3) A submission must relate only to the issue whether or not a place is of heritage significance.
- (4) A person making a submission under this section may in that submission request an opportunity to be heard by the Council in relation to the submission.

33. Procedure if no submissions are received

If no submissions have been received in respect of the proposed declaration the Council may, after expiry of the submission period referred to in [section 32\(2\)](#), submit its recommendation to the Minister.

34. Procedure if submissions are received

- (1) The Council must examine each submission in relation to a proposed declaration which has been made in the required time, and may -
 - (a) ask the person making the submission for more information in relation to the submission;
 - (b) conduct a hearing into the proposed declaration.
- (2) The Council must conduct a hearing into a proposed declaration if a person with a real and substantial interest in the place requests a hearing by the Council in a submission under [section 32](#).
- (3) After considering any submissions and conducting any hearing into a proposed declaration, the Council may determine -
 - (a) that the place or object is not of heritage significance and does not warrant inclusion in the Register;

- (b) that the place or object is of heritage significance and should be included in the Register;
 - (c) that part of the place is of heritage significance and should be included in the Register;
 - (d) that the place, or part of the place, or the object may be of heritage significance and that a provisional protection order should be made in respect of the place or that part of the place or the object.
- (4) When making a recommendation that a place be declared a heritage place, the Council may recommend that the place be declared a national monument if the place is of major significance and importance in relation to the national heritage.
- (5) If, when making a recommendation that a place be declared a heritage place, the Council considers that -
- (a) the heritage significance of that place would be substantially less if the land or any part of the land which is or has been used in conjunction with the place were developed; or
 - (b) land surrounding that place is important to the protection or conservation of the place or contributes to the understanding of the place,
- the Council may make a recommendation that that land be included for declaration as being part of the place, whether or not the land is in the same ownership as the place.
- (6) A recommendation in respect of land referred to in subsection (5) must be made with the consent of the owner.
- (7) Upon making a determination under this section the Council must provide a report to the Minister on the proposed declaration, including a report on any submissions considered or hearing conducted and the Council's determination concerning the declaration which the Council recommends should be made by the Minister in relation to the place or object.

Division 3 - Declaration of Heritage Places and Heritage Objects and Registration

35. Decision of Minister

After considering the report of the Council, the Minister -

- (a) may make any determination recommended by the Council or that the Council could have made under [section 34](#); and
- (b) must notify the Council in writing of the determination made under paragraph (a).

36. Notice of declaration and registration

- (1) If the Minister determines that a place or part of a place or an object be declared a heritage place or heritage object, the Council, upon receiving the Minister's notification, must -
- (a) include the place or part of the place or the object in the Register;
 - (b) give notice to the owner of the declaration and inclusion in the Register of the place or object;
 - (c) publish notice in the Gazette of the inclusion of that place or part of the place or the object in the Register as a heritage place or heritage object.
- (2) A notice to an owner under subsection (1)(b), may include a determination by the Council as to works and activities that can be carried out in relation to the protected place or the protected object without the need for a permit under PART V.
- (3) The notice under subsection (1)(c) must -
- (a) specify the category or categories of the Register and the part of the register under which the place or object is included; and

- (b) include sufficient information to provide reasonable identification of the place or object.
- (4) Despite subsection (3)(b), the Council may, in relation to a place or object recorded in a part of the register referred to in [section 25\(3\)](#), include only limited identifying details as contemplated in that section.

37. Notice to Registrar of Deeds

- (1) The Council must lodge with the Registrar of Deeds, in the prescribed manner, notice of any matter concerning any inclusion in, removal from or amendment to the Register which affects land.
- (2) The Registrar of Deeds must make such endorsements or recordings in the appropriate documents and registers of the Deeds Registry, and any affected title deed or other document submitted to the Registrar, as are necessary to reflect the subject matter of the notice in respect of the land concerned.
- (3) The Registrar of Deeds may require any evidence of the identity of any land affected by a notice lodged under subsection (1).

38. Certificates

- (1) A person may apply to the Council for a certificate stating in respect of any place or object described in the application -
 - (a) whether or not the place or object is included in the Register under this Act and the category in which it is registered;
 - (b) whether or not the place or object is subject to a provisional protection order, and if so the date of the order;
 - (c) whether or not the place or object is being considered by the Council under this Act for inclusion in the Register;
 - (d) whether or not a nomination has been made under this Act for inclusion of the place or object in the Register;
 - (e) whether a building is a listed building.
- (2) An application in terms of subsection (1) must -
 - (a) be in a form approved by the Council;
 - (b) state particulars of the place or object in respect of which the certificate is required; and
 - (c) be accompanied by the appropriate fee as determined by the Council, with the approval of the Minister.

39. Notice of sale of protected place or object

The owner of a protected place or protected object who proposes to enter into a contract of sale of the whole or any part of that place or object must notify the Council in writing of the prescribed information about that contract at least 30 days before the contemplated date of conclusion of the contract.

40. Amendment or removal of item on Register

- (1) The Council may amend an item in, or remove an item from, the Register.
- (2) Divisions 2 and 3 of this Part apply to an amendment or removal under subsection (1) in the same way as those Divisions apply to the declaration and registration of a place or object.

Division 4 - Provisional Protection Orders

41. Power to make provisional protection order

- (1) The Minister, on recommendation of the Council, may make a provisional protection order in relation to a place or object if, in the opinion of the Minister, it is necessary or desirable to do so for the purposes of this Act.
- (2) A provisional protection order must be in the prescribed form.
- (3) The Council must cause the provisional protection order to be served on the owner, occupier or person apparently in charge of the place or object.
- (4) In the case of -
 - (a) a place which is a government building or State land; or
 - (b) an object which is in or on a government building or State land,the Council must give the order required to be served under subsection (3) to a Minister or a public authority or any other person responsible for the care, management or control of that building or land.

42. Effect of provisional protection order

- (1) A provisional protection order takes effect on the service of the order under [section 41](#).
- (2) For the period that a provisional protection order continues in force in relation to a place or object in terms of [section 45](#), such place or object is deemed for all purposes of this Act to be a protected place or protected object.

43. Display of provisional protection order

- (1) A person who has been served with a provisional protection order under [section 41](#) in relation to a place must cause a notice of the existence of that order to be continuously displayed in a conspicuous position on the place for the period that the order is in force.
- (2) A notice referred to in subsection (1) must be in a form approved by the Council.

44. Authorisation of certain works to be carried out

Despite anything to the contrary in PART V, while a provisional protection order is in force in respect of a place or object, the Council may authorise any reasonable works or activities on the place or object which may assist -

- (a) in determining the heritage significance of the place or object; and
- (b) in the consideration of the place or object for declaration under [section 35](#) and inclusion in the Register.

45. Period of provisional protection order

- (1) A provisional protection order relating to a place or object continues in force -
 - (a) for a period of 6 months or any further period specified by the Minister under subsection (3); or
 - (b) until the place or object is declared a heritage place or a heritage object in accordance with [section 35](#) and included in the Register,whichever first occurs.
- (2) The Minister, on recommendation of the Council, may at any time revoke a provisional protection order.
- (3) The Minister may at any time extend the period of which a provisional protection order continues in force.
- (4) A notice of an extension under subsection (3) must be served in the same manner as the provisional protection order is served.

Part V – PERMITS

46. Certain activities prohibited

- (1) A person must not -
 - (a) remove or demolish;
 - (b) damage or despoil;
 - (c) develop or alter; or
 - (d) excavate,all or any part of a protected place.
- (2) A person must not -
 - (a) remove or demolish;
 - (b) damage or despoil;
 - (c) alter or excavate; or
 - (d) export from Namibia,a protected object.
- (3) A person must not relocate or disturb the position of a fixed protected object.
- (4) Subsections (1), (2) and (3) do not apply to works or activities -
 - (a) carried out in accordance with a permit issued under this PART; or
 - (b) for which the Council has determined that a permit is not required pursuant to [section 36\(2\)](#) or [section 47](#).
- (5) A person who contravenes a provision of subsection (1), (2) or (3) commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 5 years, or to both such fine and such imprisonment.

47. Exemption from permit

- (1) The Council may from time to time determine classes of works or activities which may be undertaken in respect of any protected place or protected object or class of protected places or protected objects without a permit under this PART.
- (2) The Council must give written notice without delay to the owner of a protected place or protected object of a determination made under subsection (1) which affects that place or object.
- (3) An owner may apply to the Council for a determination that a permit is not required in respect of particular works or activities in relation to a protected place or protected object.
- (4) If the Council makes a determination under subsection (1) or (3), those works and activities may be carried out in relation to that protected place or protected object without a permit under this PART.
- (5) The Council may at any time amend or revoke a determination made under subsection (1) or (3).
- (6) The Council must give written notice without delay to the owner of protected place or protected object of an amendment or revocation under subsection (5) which affects that place or object.

48. Application for permit

- (1) A person may apply to the Council for a permit to carry out works or activities in relation to a protected place or protected object.
- (2) An application must -

- (a) be accompanied by the prescribed fee; and
 - (b) if the applicant is not the owner of the protected place or protected object, include the consent of the owner that the works or activities may be carried out in relation to that place or object.
- (3) An applicant may at any time -
- (a) withdraw an application; or
 - (b) with the consent of the Council make amendments to an application.
- (4) In this section “owner” in relation to -
- (a) a place which is a government building or State land; or
 - (b) an object which is in or on a government building or State land,
- means a Minister, a public authority or any other person responsible for the care, management or control of that building or land.

49. Publication of application

- (1) On receiving an application under [section 48](#), the Council -
- (a) must cause notice of the application to be published in a newspaper circulating generally in the area in which the protected place or protected object is situated, if the Council considers that the proposed works or activities may detrimentally affect that place or object;
 - (b) must make a copy of the application available at the office of the Council during normal office hours for inspection by members of the public for the period of 14 days after the notice is published under paragraph (a); and
 - (c) may require the owner of the protected place or protected object to cause a copy of the application to be continuously displayed in a conspicuous position on that place or the place where the object is located for a specified period not exceeding 14 days.
- (2) The Council may -
- (a) require the owner of a protected place or protected object to give the notice referred to in subsection (1)(a) at the owner’s expense; or
 - (b) if that notice is given by the Council, recover the costs of publication from the owner.

50. Submissions

- (1) If notice of an application is given under [section 49\(1\)](#) any person may lodge a written submission with the Council in relation to the application.
- (2) A submission must be lodged within 14 days after the notice is given under [section 49\(1\)](#).

51. Matters to be considered in determining application for permit

- (1) In considering an application for a permit, the Council must have regard to -
- (a) the extent to which an approval of the application would affect the heritage significance of the protected place or object;
 - (b) the extent to which a refusal of the application would affect the reasonable or economic use of the protected place or object, or cause undue financial hardship to the owner in relation to that place or object;
 - (c) any submissions made under [section 50](#);

- (d) if the applicant is a public authority, the extent to which a refusal of the application would unreasonably detrimentally affect the ability of the public authority to carry out a statutory function specified in the application; and
 - (e) any matters relating to the protection and conservation of the place or object that the Council considers relevant.
- (2) The Council may ask the applicant or any person who has made a submission for additional information in relation to the application or submission that the Council thinks necessary to assist the determination of the application.
 - (3) Before determining an application, the Council may require the applicant to obtain from a person with appropriate professional qualifications or experience, at the applicant's expense, a statement as to the impact the proposed works and activities may have on the place or object to which the application relates and the risk of damage to the place or object.
 - (4) The Council must determine an application for a permit within 90 days after its receipt, but the Council, with the consent of the applicant or, if the applicant refuses consent, with the approval of the Minister, may extend that period by a further period not exceeding 30 days.
 - (5) If the Council obtains an extension in accordance with subsection (4), the Council must notify the applicant within 7 days of that extension and the period of the extension.

52. Issue of permit

- (1) After considering an application and any submissions relating to the application, the Council may determine -
 - (a) to issue the permit for the proposed works and activities;
 - (b) to issue the permit for some of the proposed works and activities specified in the application and approved by the Council; or
 - (c) to refuse to issue the permit.
- (2) A permit may be issued on any conditions the Council thinks fit, including a condition requiring -
 - (a) the applicant to carry out, at the applicant's expense, any protective works which the Council may specify;
 - (b) that the works or activities be carried out under the supervision of a person with appropriate professional qualifications or experience as specified in the permit, at the applicant's expense;
 - (c) in the case of a permit authorising excavation of a site, that Namibian citizens, as may be specified in the permit, be engaged in the activities for the purpose of receiving professional training.
- (3) The Council must, within 7 days of making a determination under subsection (1) -
 - (a) issue the permit to the applicant;
 - (b) issue the permit for some of the works or activities approved by the Council under paragraph (b) of that subsection and give the applicant a written notice of refusal to issue a permit in respect of the works and activities not approved; or
 - (c) give the applicant written notice of the refusal to issue the permit.
- (4) A notice of refusal under subsection (3)(b) or (c) must set out -
 - (a) the reasons for the refusal; and
 - (b) a statement of the applicant's right of appeal under [section 61](#).

Part VI – SPECIAL PROVISIONS FOR PROTECTION AND MANAGEMENT OF

CERTAIN HERITAGE RESOURCES

53. Listed Buildings

[The word "Buildings" should not be capitalised in the heading above. It is not capitalised in the TABLE OF PROVISIONS.]

- (1) The Council may identify, and include in the Register as listed buildings, any buildings which are worthy of protection and conservation.
- (2) The Council must record in respect of each listed building sufficient details to identify the building, including details of its location, ownership and heritage significance.
- (3) The Council must give notice of the listing of a building -
 - (a) in the case of a building situated within a local authority area, to the relevant local authority;
 - (b) in the case of a building situated outside a local authority area, to the owner of that building.
- (4) A local authority must give notice to every owner of a listed building situated within its local authority area of the fact of the listing of that building under this section.
- (5) A notice given to the owner of a listed building by the Council under subsection (3)(b) and by a local authority under subsection (4) must include a statement advising the owner of the obligations and liabilities of owners of listed buildings under subsections (6), (7), (12), (13) and (14).
- (6) An owner of a listed building to whom notice has been given under subsection (3) or (4) must not carry out or cause or permit to be carried out any work for the alteration or development of that building without prior written consent obtained in accordance with this section.
- (7) An application for consent under subsection (6) must be made at least 30 days before work for the alteration or development of the listed building is proposed to begin and must be submitted -
 - (a) in the case of a building situated within a local authority area, to the relevant local authority; and
 - (b) in the case of a building situated outside a local authority area, to the Council.
- (8) A local authority, other than a local authority with delegated authority under subsection (9), must without delay and not later than 7 days after receiving an application under subsection (7)(a), submit the application to the Council and provide the Council with the prescribed information in relation to the application.
- (9) The Council may -
 - (a) delegate to any local authority the power to consider and determine an application submitted to that authority under subsection (7)(a); and
 - (b) may impose conditions in relation to the exercise of that power by the local authority.
- (10) The Council and a local authority with delegated power under subsection (9) -
 - (a) may ask an applicant for further information to assist the determination of the application; and
 - (b) must determine the application within 30 days of the receipt of the application.
- (11) A local authority must forthwith give notice to the Council of any consent given by the local authority under subsection (10) and details of the consent given.
- (12) If an owner or occupier of a listed building alters or develops that building in contravention of subsection (6) -
 - (a) the relevant local authority, in the case of a listed building situated within the area of a local authority; or
 - (b) the Council, in the case of a listed building situated outside a local authority area,

may require the owner or occupier to stop any work for the alteration or development of that building and to restore it to its previous condition or design.

- (13) If an owner or occupier fails to comply with the requirement of a local authority or the Council under subsection (12), the local authority or the Council may without further notice -
- (a) take possession of the building;
 - (b) cause the necessary restoration work to be carried out; and
 - (c) recover from that owner or occupier the cost of the restoration work.
- (14) An owner who contravenes subsection (6) commits an offence and is liable to a fine not exceeding N\$10 000 or to imprisonment for a period not exceeding 2 years, or to both such fine and such imprisonment.

54. Conservation areas

- (1) The Council may, by notice in the Gazette, declare any area defined in the notice to be a conservation area on the ground of its historic, aesthetic or scientific interest.
- (2) Before the Council declares an area situated within a local authority area to be a conservation area, the Council must consult with the relevant local authority.
- (3) If the Council and the local authority fail to agree on the declaration of the conservation area, the local authority may in writing request the Minister to review the decision of the Council in relation to the declaration of the conservation area.
- (4) In determining a review under subsection (3), the Minister may confirm or cancel the decision of the Council and may by notice in the Gazette revoke a notice issued by the Council under subsection (1).
- (5) A person must not undertake the work referred to in subsection (6) unless that person has complied with all the requirements of this section and permission has been given to that person by the Council in terms of subsection (10).
- (6) A person who intends to undertake within a conservation area -
- (a) a development which exceeds 10 000 square metres in extent or the estimated costs of which exceed N\$2 million;
 - (b) the construction of a road, wall, powerline, pipeline, canal or any other similar form of linear development or barrier exceeding 300 metres in length; or
 - (c) the construction of a bridge or similar structure exceeding 50 metres in length,
- must, at least 90 days before the work is planned to begin, give notice to the Council of the proposed work and of the location where the work is proposed to be carried out.
- (7) The Council, with the consent of the Minister responsible for environment, must as soon as is practicable, but in any event not later than 30 days after receipt of the notification, inform the person who gave the notice whether the Council requires him or her to obtain, at his or her expense, an environment impact assessment from a person with appropriate professional qualifications or experience, with a view to determining -
- (a) the existence of heritage resources in the vicinity of the relevant area where work is to be carried out;
 - (b) the impact of the proposed work on those resources; and
 - (c) the extent to which the proposed area and height of the proposed development may be obtrusive in relation to the area and height of any protected place or listed building in the vicinity.
- (8) The report on the environment impact assessment must be submitted to the Council and the Minister responsible for the environment.

- (9) The Council may require the person proposing to undertake the work to meet with the Council for the purpose of discussing the report and ways to minimize any adverse effect of the work on heritage resources as may be indicated in the report.
- (10) The Council may, after considering the report and any other information submitted to it in terms of this section, permit, subject to any conditions which it may impose, the person who has given notice to it in terms of subsection (6), to undertake the proposed work.
- (11) The Council may, in a notice under subsection (1) or a subsequent notice, prohibit that any building situated within the conservation area which is 50 or more years old be demolished without the written consent of the Council.

55. Archaeological and palaeontological sites, meteorites and other heritage resources

[The word "palaeontological" is misspelt in the Government Gazette, as reproduced above.]

- (1) The Council may cause to be erected at suitable places within or on the boundaries of or near a registered archaeological or palaeontological or meteorite site notices indicating that the site is a protected place.
- (2) The fact that a notice is not erected under subsection (1) does not affect the liability of any person for a contravention of this Act relating to archaeological or palaeontological sites or archaeological or palaeontological objects or meteorites.
- (3) All archaeological and palaeontological objects and meteorites are the property of the State, except such an archaeological or palaeontological object the private possession and ownership of which -
 - (a) was acquired not in contravention of section 12 of the National Monuments Act, 1969 (Act No. 28 of 1969) or a law repealed by that Act; or
 - (b) is acquired by virtue of a consent issued under this section.
- (4) A person who discovers any archaeological or palaeontological object or meteorite must as soon as practicable report the discovery to the Council.
- (5) If the Council has reason to believe that any activity or development is being carried out in or on any area of land which is believed to be an archaeological or palaeontological or meteorite site without a permit under section 52 and that the activity or development may destroy, damage or alter that site, the Council may -
 - (a) serve on the owner or occupier of the site or on the person undertaking the activity or development an order to cease that activity or development immediately for the period specified in the order;
 - (b) carry out or cause to be carried out an investigation for the purpose of obtaining information on whether or not an archaeological or palaeontological site exists on the land and whether the activity or development may adversely affect that site;
 - (c) if the Council considers that the activity or development may adversely affect the archaeological or palaeontological site, assist the person on whom the order has been served under paragraph (a) to apply for a permit in accordance with section 48; and
 - (d) recover the costs of the investigation from the person on whom the order has been served under paragraph (a) if the investigation shows that an archaeological or palaeontological site exists on the land and that a permit under section 52 is required for carrying out that activity or development.
- (6) The Council, after consultation with the owner of any land on which an archaeological or palaeontological site or a meteorite is located, may serve a notice on that owner to prohibit any activities indicated in the notice within a specified distance from that site or meteorite.
